

Covert Antenna Systems

Universal Euro-Style Antenna With Ultra Durable Flexible Whip

- Flexible mast bends but won't break
- Survives antenna impact in parking garages
- Select models available in single, dual & tri-band systems
- AM/FM antenna included
- Available OEM style replacements for specific vehicles
- Available for multi-port radios & all-band single-port radios

MODEL NUMBER	SB-VHF-EAN	DB-VHF/UHF-EAN*	DB-VHF/7-800-EAN	TB-V/U/C-EAN-SP
Frequency Range (MHz)	150-174	150-174 & 406-512*	150-174 & 760-870	136-174* 406-512* 760-870
Bandwidth	24	*12-24 34*	24 110	24* 34* 110
Power Rating(watts)	150	150 110	150 35	100
Finish	Black			
Maximum Height (in)	17.5			
Mast Material	Nitinol			
Feed Line	17' RG58			15' RG316
Connectors (one per cable)	PL259, Mini-UHF, BNC, TNC, SMA, N or QMA			

* Specify operating frequency(s)

*Dual-band & Tri-band available for single port (SP) all-band radios (specify)
