

Conventional Scanners

KEY FEATURES

Close Call™ RF Capture Technology

Instantly tunes to Speak-Tone™ nearby transmitters.

Close Call Do Not Disturb Mode

Prevents Close Call Checks during a transmission.

TrunkTracker III, IV, and V Technology

Follows Conventional Trunked Mobile, EMS, and IIP Systems (IIP Also Supports APCO 25 Phase II), Phase II and X2-DPM Systems (I).

BearTracker™ Warning System

Alerts You to Activity on Highway Patrol Frequencies in Your Area.

Location-based Scanning

Connects to a GPS Receiver to Automatically Select Local Systems.

Band Scope

Graphically Displays Radio Activity.

Narrow Band

Operates on the Most Current FCC Frequency Allocation.

In this age of instant news, nothing gives you up-to-the-second, unfiltered coverage like Uniden Scanners. Easy to program, easy to use, and always ready to go, you can hear everything from emergency responders to racing pit crews.

BC365CRS

- Alarm Clock with Snooze
- 500-Channel Scanner
- Narrowband Compliant
- FM Broadcast Radio
- Weather Scan/Alert

Includes:

- Adapter Antenna
- AC Adapter
- AC Charger

UPC 0-506355079-0

BC355N

- Frequency Coverage: 25-51, 106-114, 406-512, 806-926 MHz
- Includes: Telescoping Antenna, Mobile Antenna, Adapter, DC Power Cord, 3-Wire DC Power Cord

BC125AT

- 500 Albina Tagged Channels
- VHF Low/High, UHF
- Air, MH-Air
- Narrowband Steps
- Close Call™ Technology with Do Not Disturb
- PC Programming Port

Includes:

- USB Cable
- Batteries
- Antenna

UPC 0-506355065-9

* Excluding frequencies allocated to the Cellular Radio Telephone Service.

SR30C

- Features 500 Channels
- 10 Channel Storage banks
- Close Call™ RF capture technology
- PC programming
- Temporary lockout
- Service bands
- Priority scan with Do-Not-Disturb
- Scan/search delay/resume
- Turbo search
- Search lockouts
- Dimmable Display Backlight

- Close Call Do-Not-Disturb
- Flexible antenna with BNC connector
- Memory backup
- Triple-conversion circuitry
- Three power options
- Custom search
- Built-in USB charger
- Key confirmation tones
- Key lock
- Battery save
- Battery low alert
- Search lockouts

UPC 0-506355060-6

Professional Series Scanners

BCD325P2

- 25,000 Dynamic Channels
- Trunk Tracker V (APCO 25 Phase II, Motorola, EDACS, LTR)
- GPS Compatible
- Close Call RF Capture with Do Not Disturb
- PC Programmable
- Firmware Flexible: 25-512, 756-924, 849-869, 894-960 MHz Coverage
- Location-based Scanning

Features Include:

- System and Channel Number Tagging
- Priority ID Scan on Trunked Systems
- Individual Channel Volume Offset
- Close Call Technology
- Location-based Scanning
- 100 Quick Key System Access
- DCS/CSS Rapid Decode
- Auto AGC
- Band Scope

Upgrades Available:

BCD325P2 and BCD996P2 have the following paid upgrades available for receiving more system types:

- DMR
- NXDN
- ProVoice

Upgrades Available

BC115X

- 9000 Dynamically Allocated Channels
- Includes: Antenna, DC Power Adapter, Three-wire Harness, Mounting Bracket and Hardware
- BearTracker™ Warning System
- Preprogrammed Highway Patrol Frequencies by State
- Frequency Coverage: 25-512 MHz, 756-960 MHz, 1240-1300 MHz

BCD966P2

- APCO 25 Phase II and Phase II-based Scanning
- 25,000 Dynamic Channels
- Close Call™ RF Capture
- Band Scope
- Fire Tone-Quit
- Multi-color Backlit Display

- Includes: AC Power Adapter, Automobile Accessory Power Plug

- Auxiliary 3-Wire Power Harness
- Mounting Bracket and Hardware
- Telescopic Antenna
- USB Cable
- UPC 0-506355077-6

- 8-Hours Operation on SMAA Batteries
- Includes: Antenna, USB Adapter, 3x AA/NIMH Batteries, Hand Strap, SMA-BNC Antenna Adapter

UPC: 05063565071

*Supported with future firmware and app releases.

**Excluding frequencies allocated to the Cellular Radio Telephone Service.

HomePatrol-II

Tune in and stay informed with the HomePatrol-II simple program scanner from Uniden. Just enter your zip code or city on the easy-to-use touch screen, and the scanner will listen for transmissions in your area. The scanner tunes in to open two-way radio signals and allows you to quickly hear the communications systems used by public safety, aircraft, military, weather spotters, and more.

Digital Capable

Receives all unencrypted, nonproprietary APCO 25 Phase I and Phase II digital, Motorola, EDACS, LTR, conventional analog and P25 digital channels.

Simple Programming

Using the color touchscreen, just enter your zip code, your location, or connect a GPS receiver (optional).

Complete Database

Includes radio channel information for the US and Canada from RadioReference.com, the ultimate source for radio system information.

Record & Replay

Hit record and capture all the action on the 4GB MicroSD card (included).

Touchscreen

Clear, context-sensitive help and simple menu options makes the 3.5" color touchscreen easy to use.

Weather

HomePatrol-II can standby to alert you to NOAA All-Hazards Alert broadcasts. Alerts are automatically recorded.

Services Included:

- Police
- Fire
- Ambulance
- Aircraft
- Military
- Federal Agencies
- Business
- Private Security
- Utilities
- Hospitals
- Schools
- Prisons
- Amateur Radio
- Railroad
- Media
- Public Works
- Transportation

Favorites List

Save interesting channels for rapid selection.

Sentinel PC Software

Manage favorites lists, database, firmware updates, and more using the Sentinel software (included).

Auto Shutoff

HomePatrol-II can be programmed to turn off after a set time.

Avoid

Easily turn off systems, departments, or channels you don't want to hear. (Temporary or Permanent)

Mute

Mute silences the audio level for 30 seconds or adjust volume to your situation. (Temporary or Permanent)

Clock

HomePatrol-II time stamps recordings and lets you use the receiver as a table clock when you aren't listening to communications.

USB

Connect to your PC to update HomePatrol-II and retrieve recordings.

No Subscription

Database updates available weekly at no additional cost

Hybrid CB/Scanner

Radio B.P./Scanneur numérique hybride

The BearTracker 885 does what no other CB Radio can do by keeping you up-to-date with local public safety activity anywhere in the US and Canada* scanning police, fire, ambulance, and/or DOT radio traffic. † Also, featuring the BearTracker Warning System, a legal alternative to radar detectors, that alerts you when nearby public safety transmissions are detected.**
